

Our Redeemer Scrip Program - A Way for YOU to Reduce Your Tuition!!

The Scrip program offers you an opportunity to reduce your tuition for the next year. You do this by purchasing gift cards through Scrip, for national and local retailers that sell their gift cards to the Scrip program at a discounted price (each with a different percentage of discount). You purchase the cards at face value and redeem them for face value, and our church with school keeps the rebate amount as a profit. The Our Redeemer Board of Education decided that the school families can opt to have **90%** of that profit from their purchases placed in their TRIP (Tuition Reimbursement Incentive Plan) account. The remaining **10%** is placed back in the General Fund for help in administration costs for the program. The TRIP balance you accumulate is then used to reduce your child's tuition for next year!

ORLSC families saved over \$ 18,000.00 in tuition for the 2017-2018 Scrip program year!

To avoid large raises in tuition rates, we are again this year asking for a Scrip commitment – this is an amount of Scrip rebates you will agree to earn during the year, that will be used to reduce your tuition. There is only **ONE** commitment per family; and the amount is determined by your oldest child attending. The amount of the Scrip commitment is as follows:

Grade	Scrip Commitment Amount
3-year-old Pre-K	\$50
4-year-old Pre-K	\$100
K-8	\$200

This Scrip commitment needs to be achieved by May 12, 2019. If you do not earn the full Scrip commitment, the amount you did not earn will be added to your tuition bill. If you choose to opt out of using Scrip, the above payments will be due at school registration.

If you would like to find out more about this program and how you can earn **FREE** money towards tuition, please contact me!! We will also have a table at the School Registration on August 14, 2018. During the school year, we have a table in the Fellowship Hall between services that you can stop at and ask questions. You can even purchase gift cards from the inventory we have on hand, which will be directed towards your tuition if you have an account set up. There is an enrollment code that you need to use when you first sign it. I will get that to you if you are interested!

A registration form is included to fill out and drop off at the Scrip table on school registration night. Returning participants must fill out a new form so we know how you want your funds applied and which pickup/backpack delivery option to apply for your orders.

Please see the reverse side for a detailed description on how this program works!

This is a great way for family members to help out too! They can set up their own account and shop when they want! Their rebates will be directed to your account!!

I am very happy to answer any questions you may have. Please email Mary Barta at orscrip@gmail.com or call/text me at 262-903-4348.

In His Service, Mary and Matt Barta - Our Redeemer Scrip Coordinators

Here is an example of how you use Scrip:

Scrip orders can be placed anytime during the week, but they are “closed out” on Sunday nights at 8pm. Those orders will be ready for pick up, or delivered in your child’s backpack (if you choose that option), by Wednesday afternoon.

Let’s say you know that next week you are going to go to the grocery store (I will use Walmart as an example), the gas station (Speedway) and you are planning on going out to eat on Saturday night (Chili’s).

You go to www.shopwithscrip.com, log in, and order your gift cards. To pay for these cards, you can either pay by check (made out to ORSP and dropped off in the church or school office before Wednesday), or electronically by using PrestoPay - Scrip uses the secure ACH process to keep your account safe. You can also place an order using a paper form that is available in the Fellowship Hall between services on Sundays.

Your order for one week:

Gift card	Rebate	Total to School	90%-what you keep
Walmart \$100	2.5%	\$2.50	\$2.25
Speedway \$100	4%	\$4.00	\$3.60
Chili’s \$50	11%	\$5.50	\$4.95

In one week you earned **\$10.80** in **FREE** money!!! You purchase the cards at face value and you spend them at face value! Imagine how much money you could save if you did this every week!

This is just an example-there are hundreds of other retailers to choose from!

There are numerous retailers that also offer an option called **ScripNow**. These are gift cards that you can purchase and use almost instantly. You can either print them or show the cashier right on your smartphone. You do need a PrestoPay account for this option. This is very convenient if you have a spontaneous shopping trip, or go out for dinner one night that wasn’t planned.

Say you are at Kohl’s - you can either go to www.shopwithscrip.com, or use ScripWallet (an app you can download which makes ordering very easy) to order your card right away, then show the cashier your gift card from your smartphone! It’s that easy - and you earned FREE money!!

Christmas shopping, home improvements, vacations, restaurants, retail and online stores - there are so many options! And usually for places you already shop at!!

Remember, you keep 90% of your total rebates! The first \$50/\$100/\$200 that you are committed to for the Scrip commitment will be directed to that, and anything you earn above that amount will go towards your tuition for next year!

As always, please contact me if you have any questions or need help!
