### Christian Day School Commitment Form for the 2018-2019 School Year

Our Redeemer Lutheran School has been established for the purpose of training children in Christian doctrine, attitudes and behaviors in addition to the regular elementary school curriculum so that they may become disciples for Christ. Therefore, we require that parents support our school to the best of their ability in terms of cooperation, communication, discipline and participation.

To assure us that parents of our students agree with our philosophy of Christian education and our purpose for existence, and are willing to support our efforts, we ask that the following statement of commitment be signed.

- I agree with the philosophy of education under which Our Redeemer Lutheran School operates.
- I accept the policies, rules and regulations that govern the school as developed by the Board of Christian Education.
- I recognize my parental responsibility to provide for the Christian education of my child and I am enrolling my child at Our Redeemer Lutheran School for that purpose.
- I intend to work with my child and his/her teachers to meet the objectives that the school has set for its students.
- I intend to communicate with the teachers and administration at the school as the need arises.
- I intend to reinforce the Christian training my child receives at school by providing a Christian environment for him/her at home.
- I intend to be with my child at Our Redeemer Lutheran Church (if a member here), or at worship services on a regular basis.
- I intend to meet all of my financial obligations to the school and church.
- I intend to be an active participant and supporter of the Parent-Teacher League of Our Redeemer Lutheran School.
- I intend to familiarize myself with the teachings of the Lutheran Church-Missouri Synod, the doctrines of which will be taught to my child in the school's curriculum.
- I intend to do all of these things to the best of my ability and with the help of God.
